WHEREAS, the U. S. Rubber Reclaiming Company, desirous of locating a new plant in the Town of Cheektowaga is negotiating with the County of Erie to purchase a parcel of land which was formerly the Philip Stephen property consisting of twenty-four acres located near the power line on William Street in the Town of Cheektowaga and also to purchase 11.6 acres now owned by the International Mining and Chemical Corporation, both of said parcels being in Lot #23 in the Town of Cheektowaga and it is their desired to erect a plant for the reclamation of rubber, and

WHEREAS, they have assured this Board that the process which they intend to use is mechanical and involves mechanical working of the rubber in completely enclosed chambers which can give off no fumes at all. That no steam is required in the process and that it will not be necessary to build a steam plant with the attending nuisance of coal piles or fly ash from chimneys and that the new plant will be a model of cleanliness in all respects and

This action, however, will only be taken if the erection of the plant and the use of the aforesaid property will not interfere with the New York State Thoroughway or the entrances or exits thereto which it is contemplated may pass through or in the vicinity of the lands in question.
