Supervisor declared next hearing open, instructed Clerk to read same. Proof of publication presented.

Supervisor asked if anyone wished to speak in opposition to rezoning from residence to business. John P. Breier.

Mr. Paul Beelke, Atty., 57 Floss Ave. presented a petition signed by 27 residents protesting against the rezoning of Lots 30, 31, Map cover 1557, northeast corner of Huxley Drive, and Cleveland Drive. Mr. Beelke stated further he represented these petitioners who did not desire a service station on that corner because it would tend to increase insurance rates on their homes and depreciate the value of their property.

The Supervisor then asked if anyone wished to speak in favor of the rezoning.

Mr. Wallace H. Miller, Atty., 786 Ellicott Square, spoke in favor stating he represented the petitioner, John P. Breier.. He further disputed the fact that insurance rates would not be effected by this gas station and that Mr. Breier intends to build a very modern and up to date station, a credit to the neighborhood.

The Supervisor declared the hearing closed.

Moved by Mr. Pawlak, seconded by Mr. Napieralski, that the hearing of John P. Breier be adjourned until May 19th, 1947 at 8 P.M., when a re-hearing will be held and the Clerk be instructed to re-publish the Notice of Hearing in the Depew Herald and Cheektowaga News and the Cheektowaga Times.

RE: Town of Cheektowaga, New York

Mr. C. Chase Zaleski, Supervisor
Town of Cheektowaga
Cheektowaga Town Hall

Dear Sir:

- x 3. C. E. Knowles, Inc.
- 4. H. F. Darling
- x 5. Wm. J. Crawford and Menzies

Those marked with a cross submitted bids. Several others prepared subcontract bids to general contractors. No. 9, 14, 15, and 16 returned their plans before bids were taken.

Three sets of plans were sent to the Town Hall for the use of Municipal Officials.

One set was sent to Wm. Harries, who consulted on the Landscape Work.

Communication from State Traffic Commission regarding speed restrictions, Clinton St., Route 354, State Highwayd 371, being restored to 35 M.P.H., requesting Town to act in compliance, was ordered received, filed and referred to Chief of Police.

Moved by Mr. Pawlak, seconded by Mr. Nageln permission be granted to the Men's Club of Ti-O-Run-Da, to hold a Carnival for the week beginning May 12, 1947, provided that the necessary insurance protection is furnished the Town of Cheektowaga, also, permission from property on which carnival is to be held and under the

The detailed bids are set forth on the accompanying Summary of Bids. There were 21 Bid Items covering various classes of work required to provide the surface drainage, underdrainage, rough grading, fine grading, roadway construction, sewer and water service to the future comfort station, and recreation center, and cleaning of the present Scajaquada Creek channel.

Following is the low total bid for the 21 Items for the nine bidders:

<u>Place</u>	<u>Bidder</u>	<u>Amount</u>
1	Ben Behringer	\$111,745.00 x
2	Brunner Bros.	121,685.70 x
3	Asphalt Roadways Co.	134,490.96
4	Pfohl Bros.	142,392.00
5	A. R. Menzies	144,709.65
6	Depew Paving Co.	153,131.75
7	Pariso Bros.	156,901.55
8	C. E. Knowles, Inc.	160,560.00
9	Bison Contracting Co.	162,720.00

x - Totals revised for inaccuracies in multiplication and addition.

The Town has available about \$95,000 to spend on the development work. In order to come within this budget, we suggest that the following items be omitted:

Communication from State Traffic Commission regarding speed restrictions, Clinton St., Route 354, State Highwayd 371, being restored to 35 M.P.H., requesting Town to act in compliance, was ordered received, filed and referred to Chief of Police.

Moved by Mr. Pawlak, seconded by Mr. Nagels permission be granted to the Men's Club of Ti-O-Run-Da, to hold a Carnival for the week beginning May 12, 1947, provided that the necessary insurance protection is furnished the Town of Cheektowaga, also, permission from ~~the Town of Cheektowaga on which carnival is to be held and under the~~

	<u>Behringer</u>	<u>Brummer</u>
Low Base Bid	\$111,745.00	\$121,685.70
10 - Clean Soajaquada Creek	3,000.00	500.00
13 - Top Course on Pavement	7,800.00	6,600.00
18 - Seeding Park Area	3,600.00	10,000.00
19 - Rustic Guide Rail	<u>3,250.00</u>	<u>1,950.00</u>
Total Deductions	\$17,650.00	\$19,050.00
REVISED BID	\$94,095.00	\$102,635.70

The above Revised Low Bid for Ben Behringer is on the basis of using the Metal Flume - Item No. 5, and the Metal Culvert - Item No. 7. We understand deliveries on this material are not as good as those for the reinforced concrete culvert pipe with concrete base slab, bid under Items No. 5b and 7a. If these should be desired on account of the quicker deliveries, the cost would be increased about \$1,455.00, making the total bid \$95,550.00.

The area of 6,000 square yards of pavement is for the driveways alone and does not include the parking areas. It was thought that it might be best to let the rough grading in the parking areas stand for one season. If it is desired to reduce the bid further, the west branch of the Park Drive to the bridge amounting to about 500 square yards could be deducted, which would make about \$450.00. This will not be used at present.

If it is desired to install the base course in the main central parking space for 100 cars, which has an area of about 50,000 square feet, the cost would be about \$5,000.00.

The omission of the seeding from this contract would allow play on the ball diamonds this summer and fall on the finished grade. In the late fall the seeding could be done, and other detail work on the ball diamonds such as, construction of pitchers boxes, and clay in the base area, when other funds might be available.

We also understand that funds from a budget item for creek and ditch maintenance can be used to do the work under Item No. 10.

Communication from State Traffic Commission regarding speed restrictions, Clinton St., Route 354, State Highwayd 371, being restored to 35 M.P.H., requesting Town to act in compliance, was ordered received, filed and referred to Chief of Police.

Moved by Mr. Pawlak, seconded by Mr. Nagels permission be granted to the Men's Club of Ti-O-Run-Da, to hold a Carnival for the week beginning May 12, 1947, provided that the necessary insurance protection is furnished the Town of Cheektowaga, also, permission from

May 1, 1947

The total project expenses can then be estimated as follows:

Low Bid from (depending on deliveries)	\$94,095 to \$95,550
Engineering fees for Plans and Specifications	2,000.00
Blueprints and copies of Specifications	244.80
(There will be a credit from deposits of about \$100.00 against this.)	
Administration and Legal expense	500.00
Supervision of Construction (Including checking levels over the entire area.)	4,000.00
TOTAL	\$100,840.00 to \$102,295.00

We, therefore, recommend the award of contract items to Ben Behringer, the low bidder, in the amount of about \$95,000, and omitting Items No. 10, 13, 18, and 19. The exact Item Numbers on which the award would be made would depend on whether the Board chooses concrete or steel construction for the covered flume and culvert work.

Very truly yours,

NUSSBAUMER AND CLARKE

Newell L. Nussbaumer
Newell L. Nussbaumer

NLN C

P.S. - Since dictating this letter we have received a delivery date of two weeks for the steel flume for enough material to start the job and continued deliveries until the work is finished. This is as good as has been promised by the manufacturers of the concrete section.

THURSDAY

TOWN CLERK ALBERT STURM DIES AT HOME AFTER FOUR MONTH ILLNESS

Albert Sturm, 61, town clerk of Cheektowaga, passed away at his home, 35 Merrymont circle at 7:15 a. m. yesterday, Wednesday, June 18. He had been ill since the forepart of February.

Mr. Sturm was born Jan. 19, 1886, in the town of Lancaster. His people moved to Transit and Bostwick, Depew, when he was an infant, so he was a resident of his town of Cheektowaga most of his life. Following his schooling in the Depew public schools he became a barber, and had a shop in the store building just south of the home. His brother, Edward, and he conducted a hardware business there for close to 20 years until Edward died in 1927 having served as town assessor and tax collector.

Albert Sturm was clerk of the village of Depew for three years and nine months just prior to his taking the office of town clerk in 1932.

He built the home on Merrymont circle about 10 years ago.

Funeral services at the family home will be private, with interment Friday afternoon in Lancaster Rural cemetery.

Surviving is his wife, Elizabeth Heck Sturm.

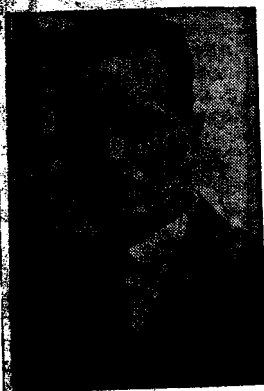

Mr. Sturm has been the unquestioned choice for his own successor on the Republican ticket in each election. He made his office a friendly place for those who had official town business, regardless of their ancestry, education, clothing or apparent funds, and was the first person to whom folks seemed to turn for information, as reporters learned early in their dealings with him.

His own life was quiet, and even in the turbulence around election time every two years, he could be relied upon to have good organiza-

tion for the gathering of the returns promptly.

Aided by his niece, Miss Gladys Sturm, daughter of his brother Edward, Mr. Sturm built up the records of the fast expanding township, with its increasing popularity as a site for clean industries. During the past few years the volume of work has increased so fast that extra help was required. His ability to train has told off, for Miss Sturm has proven her competence to carry on the work even with the doubled schedule of town board meetings resulting from demands for home sites in the town since the building situation has eased off somewhat.

Mr. Sturm had been named candidate for re-election this fall as running mate to Cheektowaga's veteran supervisor, C. Chase Zalemaki.
