PRESENT: Benedict T. Holtz	Supervisor
Henry Nagel	Councilman
Felix T. Wroblewski	Councilman
Joseph A. Neibert	Councilman
Stanley Bystrak	Councilman

ABSENT: -0-

Also present were: Town Clerk Kenneth T. Hanley; Receiver of Taxes & Assessments Edward H. Pfohl; Superintendent of Highways John J. Zablotny; Town Attorney George B. Doyle; Building Inspector William Tadio; Chief of Police Walter J. Marynowski; Recreational Director Edward Janiak; and Chairman of the Board of Assessors; Edward B. Jerzewski.

The chairman called the meeting to order.

Supervisor Holtz opened the meeting with the following speech;

The present members of the Town Board, and our other elected officials, have served the people of Cheektowaga for the past several years, and we are meeting here today to induct them into office for another term.

We appreciate the confidence placed in us in the past and we want to assure the people of Cheektowaga that we intend to give them even better service in the future.

Cheektowaga has experienced remarkable growth in the past few years and it has been our constant aim to keep our Town government in step with that growth. Cheektowaga has a bright future; we are now preparing for an extensive building program. We expect a great many homes to be built and this will require an extension of many of our existing facilities. We know that several industries contemplate locating in the Town of Cheektowaga and we are seeing to it that these industries are located in industrial districts, away from areas set aside for the construction of homes. The lack of materials vital to the war effort may delay for a short period of time the construction of industrial buildings but as soon as the material is available, we feel certain that many large plants, which will provide employment for a great many people, will be built in Cheektowaga. While this rapid growth is taking place, your Town Board will be ever on the alert to serve the people in every possible way. We want Cheektowaga to continue to be a Town of fine homes, where people will be proud to live. We want Cheektowaga to have new industries of a desirable type. You can rest assured that with the aid of my colleagues on the Town Board, the administration which is starting today will bring to the people of Cheektowaga an honest, progressive and efficient administration.

We have under consideration many much-needed improvements, such as a construction of a storm water sewer system, extension of our sanitary sewers, the construction of sidewalks, and in general many projects which will make Cheektowaga a better place in which to live.

It is not my purpose now to discuss any of them at great length; we believe we know what the people want and we will do our best to see to it that they get it.

I want you to know, and I am speaking for all my associates when I say this, that we appreciate your coming here today as we organize this new administration. We know that you are our friends and well-wishers. We know we enjoy your trust and confidence. We are happy that you have seen fit to select us as your officials. We will do our best to see that we are deserving of your trust and confidence and of your continued support.

I want to express to you and to all the people of Cheektowaga the fervent wish that the year 1952 will be a happy and prosperous one.

The Town Board then proceeded to go into its regular session.

Town Board
Town of Cheektowaga

Gentlemen:

This is to inform you that the Board of Education of Union Free School District No. 2 of the Town of Cheektowaga at a meeting held last evening, went on record as recommending to your Board that it agree to accept the offer of the City of Buffalo to pay \$15,000 a year in lieu of taxes on the Buffalo Municipal Airport.

It is felt that if a settlement is not arrived at at this time, there is a reasonable possibility of both the School District and the Town losing the benefit of all taxes on the airport.

Yours very truly
