No opposition was present directly but a representative of the Hunt Realty Corp., a management corporation for an apartment building in the near vicinity, appeared and stated that they had no objection to the property being rezoned but wanted to insure that the drainage plan for the rezoned property would not add to the already difficult surface water problem in the area. At a further meeting the Zoning Board's decision was that the rezoning on Union Road should be granted; NOW, THEREFORE,

WHEREAS, WILLIAM WANEMAKER, made an application to rezone property from Residential District to Business District and to amend the zoning map and Ordinance accordingly on premises described as follows: (37 Anthony Avenue) Map Cover 1094 sublots 32 feet of Lot 19 and 20 feet of Lot 21 on the east side of Anthony Avenue, in the Town of Cheektowaga, New York.  
To be used to repair antique autos, no more than one at a time.

The Zoning Board of Appeals held a public hearing on the 17th day of April, 1968 after proper notice to all proper parties. Opposition present expressed concern that once the premises were rezoned for Business that a sale of the house to someone would still allow conducting of business as at the premises. The opposition expressed a confidence in Mr. Wanemaker for using the premises only in the manner that he has been using it but concern about the next owner was expressed.

It was also the expression of the Zoning Board members that to grant such a zoning in a residential area would be spot-zoning and that this policy is one which is rarely followed and a course of action which the Zoning Board does not wish to initiate in this proceeding, based on the above facts and presentations made at the meeting.

After investigation the members of the Zoning Board of Appeals recommend a denial of this application, NOW, THEREFORE,

BE IT RESOLVED that the rezoning of the above described property be denied.

WHEREAS, NORMAN J. CASTINE, made an application to rezone property from Residential District to Business District and amending the Zoning Map and Ordinance accordingly: (700 Cayuga Road)

ALL THAT TRACT OR PARCEL OF LAND situate in the Town of Cheektowaga, Township 11, Range 7 of the Holland Land Company's Survey bounded and described as follows: Beginning at a point in the westline of Cayuga Road 100' wide at the southeast corner of subdivision lot 57; thence southerly along said west line 199' to a point; thence westerly at right angles to the said westerly line of Cayuga Road 400' to a point; thence northerly at right angles to the last described line 199' to a point; thence easterly 400' to the place of beginning, all being approximately 1.86 acres.

To be used for offices and warehouse facilities for a beer distributing business.

The Zoning Board of Appeals conducted a public hearing on the 15th of May, 1968 after proper notice to all proper parties. After investigation and study the feeling of the Zoning Board is that the area is not one wherein homes are likely to be built in that it is extremely close to the jetport. Secondly, two years ago application was made for residential housing in the area and the banks denied money for the development because it was too close to the jetport, the noise being the primary factor. The Board feels that the garage doors opening to the south will not cause any nuisance to the property to the north. Further, it is the Board's understanding that this business will run primarily from 7:00 a.m. to 5:00 p.m.  $\frac{5}{2}$  days a week and same will not constitute in any way a nuisance or noise condition. Based on the mentioned factors the Zoning Board has recommended that this rezoning be GRANTED; NOW, THEREFORE

BE IT RESOLVED, that the above mentioned property be and it hereby is rezoned from a Residential to a Business District, and be it

FURTHER RESOLVED, that the Zoning Map in the Town Clerk's Office be changed accordingly.

VI. FROM THE TABLE

Item No. 40 Motion by Supervisor Weber, seconded by Councilman Rogowski-----

WHEREAS, WALTER ANDERSON made an application to rezone property from Residential District to Business District and to amend the Zoning Map and Ordinance accordingly: (2976 and 2980 Union Road)

ALL THAT TRACT OR PARCEL OF LAND situated in the Town of Cheektowaga, County of Erie, and State of New York, being part of Lot No. 15, Township 11, Range 7 of the Holland Land Company's Survey and further distinguished as Sublots 6, 7, and 8 as shown on map filed in Erie County Clerk's Office under Cover 527 and more commonly known as 2976 and 2980 Union Road.

To be used for business purposes as to allow for the construction of a drug store and two additional stores.

The Zoning Board of Appeals had conducted a public hearing on the 15th of May, 1968, after proper notice to all proper parties. The matter was then tabled for investigation.

After hearing the people present at the Zoning Board meeting and further investigation and study, the Zoning Board of Appeals has recommended that this property be rezoned to Business. The master plan for the Town of Cheektowaga has basically allowed Union Road to be used for business purposes. This application appears consistent with the overall master plan. The applicants here seek to construct a drug store and two small retail type businesses. The land adjacent to this, owned by the applicant, is and has been zoned Industrial and any rezoning would not be inconsistent to land immediately adjacent to it. The decision of the Zoning Board is to recommend that this application be granted and the premises rezoned from Residential to Business; NOW, THEREFORE,

BE IT RESOLVED, that the above mentioned property be and it hereby is rezoned from Residential to Business, and be it

FURTHER RESOLVED, that the Zoning Map in the Town Clerk's Office be changed accordingly.

and Halicki

Item No. 41  
Business.

Rezoning - Walter and Erika Heldt - 3619 Harlem Road - Residential to  
Tabled until July 1, 1968.

Item No. 42

Motion by Councilman Obstarczyk, seconded by Councilman Wroblewski-----

WHEREAS, PETER J. WOJDA made an application to rezone property from  
First Industrial and Residential to Second Industrial and amending the Zoning Map and  
Ordinance accordingly: (812-852 Borden Road)

ALL THAT PARCEL OF LAND situate in the Town of Cheektowaga, County of Erie, and State  
of New York, being part of Lot No. 48, Township 10, Range 7 of the Buffalo Creek Reser-  
vation, bounded as follows: BEGINNING at a point in the center line of Borden Road  
distant 1098.90 feet south of its intersection with the center line of Losson Road;  
thence westerly on a line drawn parallel to the south line of Lot 48 a distance of 3247.  
20 feet to the westerly line of Lot 48; thence northerly 425.95 feet along said westerly  
line to a point; thence easterly and parallel to that southerly line of Lot 48 a distance  
of 1426.06 feet to a point 1816.04 feet of the center line of Borden Road; thence nor-  
therly and parallel to the center line of the Borden Road distant 353.76 feet southerly  
from the intersection with the center line of Losson Road; thence southerly along the  
center line of Borden Road to the point or place of beginning.  
To be used for manufacturing and packing of pickles, peppers and related products.

The Zoning Board of Appeals conducted a public hearing after proper  
notice to all proper parties on the 15th day of May, 1968. After hearing the parties  
present at the hearing and after additional study and investigation, their decision is  
that they will recommend no rezoning from First Industrial to Second Industrial. The  
present First Industrial is sufficient and adequate for further building and develop-  
ment and continued use of this land and premises in its present capacity. Any change  
to Second Industrial could well mean a sale of the premises and development of any type  
of industrial business allowable in the Second Industrial area. The Zoning Board of  
Appeals recommends denial of this application; NOW, THEREFORE,

DENIED. BE IT RESOLVED, that the rezoning of the above described premises be
