WHEREAS, the Zoning Board of Appeals conducted a Public Hearing on the 21st day of August, 1968 after proper notice to all proper parties and the matter was tabled for further information and study. After the applicant was heard at three separate meetings of the Zoning Board of Appeals the following decision was rendered. It must be first noted that the applicant failed to present with his original application any specifications or plot plans with his request for a rezoning. After ample time, plans were submitted which were vague and indefinite. Additionally, overwhelming opposition was present to any such proposed rezoning and future development. The record is complete with statements from all parties relative to their disapproval of this rezoning application. The Zoning Board of Appeals also has taken cognizance of the fact that this whole area has been generally classified as Residential for subdivision development. Therefore, the Zoning Board of Appeals recommended denial to this applicant noting that sufficient land lies in West Seneca adjoining the proposed plot for adequate development; NOW, THEREFORE,

BE IT RESOLVED, that this application for rezoning be DENIED.

WHEREAS, LEONARD ROGERS made an application to rezone from Residential District to Business District the property hereinafter described and amending the Zoning Map and Ordinance accordingly:

DESCRIPTION
(S.W. corner Transit and Maderia Drive)

ALL THAT TRACT OR PARCEL OF LAND situated in the Town of Cheektowaga, County of Erie and State of New York, being part of lot 45, Township 10, Range 7, Cheektowaga, New York, beginning at a point along the westerly line of Transit Road 1283.91' south of the center line of Losson Road, thence southerly 600' along the southerly line of Maderia Drive, thence southerly 291.22', thence easterly 600', thence northerly 326' to the point of beginning.

To be used for food store, discount store, service stores (drugs, etc.) and offices.

The Zoning Board of Appeals conducted a Public Hearing on the 18th of September, 1968, after proper notice to all proper parties. No one appeared for or against this application. The property borders on Transit Road and appears to be in general conformity with business properties along Transit Road. Of present concern is the fact that Maderia Drive, presently a paper street, may be constructed in the near future and conceivably would be the start of a residential area. Therefor, we would request that a buffer zone of a minimum of 40 feet be between the rear of the proposed rezoned area and any business premises. Additionally, we would suggest that tall shrubs or a high decorative fence be installed to shield the presently exposed residential properties.

WHEREAS, the recommendation of the Zoning Board of Appeals is that this rezoning application be granted; NOW, THEREFORE,

BE IT RESOLVED, that the above described property be and it hereby is rezoned to Business, and be it

FURTHER RESOLVED, that the Zoning Map in the Town Clerk's Office be changed accordingly. This rezoning is granted provided the stipulations recommended by the Zoning Board are complied with.

ing 228 feet front and rear by

2 acres more or less.

To be used for a new and used car sales and repair, beer distributor.

The Zoning Board of Appeals conducted a public hearing on the 18th of September, 1968, after proper notice to all proper parties. Two people were present who were for the proposed rezoning hoping that it would improve the general conditions in the area. After further study and investigation it is noted by the Board that the proposed business area would front on Genesee Street where this type of business is conducted. The present property is in a disheveled state and any improvement through rezoning appears to be generally advisable. Additionally, the concern that a beer distributor may be present on this property has been cleared up by the statement of the applicant that such business will not be established on this property, if rezoned. Additionally, the Board has noted that the premises may be used for sales of automobiles and would allow only for minor repairs. This appears to be in general accordance with business properties fronting on Genesee Street. The Zoning Board also wishes to note in their recommendation of approval that the property prior to being vacant was Business under non-conforming use. The Zoning Board, therefore, recommends that this rezoning be GRANTED; NOW, THEREFORE,

BE IT RESOLVED, at this time that the above described property be and it hereby is rezoned to Business, and be it

FURTHER RESOLVED, that the Zoning Map and Ordinance in the Town Clerk's Office be changed accordingly.

WHEREAS, JAMES MARTIN RZYRKOWSKI, PRESIDENT OF THE SUBURBAN TRAILER SALES, INC. made application to rezone from Residential to Business District the following described property and to amend the Zoning Map and Ordinance accordingly:

DESCRIPTION

4838 Genesee Street

THAT TRACT OR PARCEL OF LAND situated in the Town of Cheektowaga, County of Erie, State of New York, being part of Lot Number seventy six (76), Township 11 range seven (7) of the Holland Land Survey and more particularly bounded and described as follows: Commencing at the point in the center line of Genesee St. would be intersected by a line drawn parallel with the easterly line of Lot Number 76, distance six hundred five and eighty eight hundreds (605.88) feet westerly from the said easterly line of Lot Number seventy six (76) measured along the southerly line of said lot with point of beginning is in the easterly line of lands described in a certain deed from Ella Magrum to Layton H. Vogel recorded

in the Erie County Clerk's Office in Liber 1600 of Deeds at page 468; thence northerly parallel with the easterly line of Lot Number seventy six (76) and along the easterly line of lands described in said deed to Layton H. Vogel, three hundred fifty three (353) feet more or less to the southerly bank of Eleven Mile Creek to the westerly bounds of the lands conveyed to said Layton H. Vogel by said deed; thence southerly along the western bounds of the lands conveyed by Ella Magrum to Layton H. Vogel by said deed, about three hundred seventy six (376) feet to the center line of Genesee St. as originally laid out, thence easterly along the said center line of Genesee St., one hundred fifty six and sixty five hundreds (156.65) feet more or less to the point of beginning.

To be used for Travel-Trailer Sales.

WHEREAS, the Zoning Board of Appeals held a public hearing on the 20th of November, 1968, after proper notice to all proper parties. The matter was tabled for further study and investigation by the Board. Investigation revealed that lands across and adjacent to the applicant's are presently being used for business purposes of a similar nature to the one proposed. Additionally, there was no one present who opposed this application and one party appeared in favor of the application and stated that the land looks much better than it did a short while ago prior to the applicant's filling in the low lands. The Zoning Board concurs with the party who expressed the view that the land is much improved due to the applicant's endeavors. Additionally, we note that it fronts directly on Genesee Street and similar businesses are in the immediate vicinity. The hearing revealed the fact that the area is to be used strictly for the showing of travel trailers and in no way will be used as a trailer camp or park.

WHEREAS, the Zoning Board of Appeals recommends the granting of this application for the rezoning from Residential to Business of the aforementioned property; NOW, THEREFORE,

BE IT RESOLVED, that the same be and hereby is rezoned from Residential to Business, and be it

FURTHER RESOLVED, that the Zoning Map in the Town Clerk's Office be changed accordingly.
