John Tutuska, the appointees thereon serving at the sole will of Mr. Rath and now Mr. Tutuska, is advocating that the registration of Vital Statistics become a County function to be performed wholly by the County and to eliminate the function of registration of Vital Statistics in each of the Towns and Cities as presently conducted, and

WHEREAS the Town Clerks' Association of Erie County has opposed the adoption of County-wide registration of Vital Statistics as a further threat to Home Rule of the communities in Erie County and a positive step towards Metro Government; NOW, THEREFORE,

BE IT RESOLVED that this Town Board is unalterably opposed to the elimination of Vital Statistics in each Town or City and the centralization of the function in Erie County as constituting an attack on Home Rule of the Towns and Cities of the County and an affective step toward Metro Government fulfilling on a piece-meal basis the determination of this Citizens Committee to destroy Town Government and transfer the functions to a centralized Metropolitan Government in Erie County, to accomplish by indirection what it was unable to accomplish directly itself through an effort to transfer all the Police Departments to one centralized County control, which was abortively and decisively defeated in the referendum held in 1968, and in this connection this Town Board calls for the abolition of the Citizens Committee on Intercommunity Affairs as the same does not represent a truly bipartisan instrument serving the best interests of Erie County.

SUSPENSION OF RULES

Item No. 32

Motion by Supervisor Weber, Seconded by Councilman Fath

WHEREAS, the Erie County Legislature has under consideration the matter of obtaining enabling legislation from the state legislature which would permit the establishment of a Board of Assessment Review for Erie County which would permit a reassessment of properties in Erie County and would lay the groundwork for the elimination of all assessors in the cities, villages and towns of Erie County, which would represent another step toward metro government for Erie County, and

WHEREAS the assessment function has historically been a local one and has worked to the satisfaction of most of the people over many years and the movement for abolition arises from a few politicians committed to the elimination of local government and to taking government away from the people, NOW, THEREFORE,

BE IT RESOLVED, that this Town Board takes the position of unequivocal opposition to affecting in any way the function of assessment of real property by local assessors appointed by the several cities, villages and towns of Erie County or its impairment by the establishment of any review board by Erie County and petitions the Erie County Legislators and the New York State Legislators to reject all efforts to change the present method of assessment by local assessors, and

BE IT FURTHER RESOLVED, that the Town Clerk is hereby directed to send a certified copy of this resolution to the Clerk of Erie County Legislature, to the four (4) County Legislators representing Cheektowaga and to the State Senators and State Assemblymen representing the Town of Cheektowaga and to the Governor.
