Item No. 36 Motion by Councilman Swiatek, Seconded by Councilman Obstarczyk

WHEREAS, John F. Papsidero has made application to the Town Board for a Rezoning from C-Retail Business District to CM-General Commercial District of the property located at the northwest corner of William Street and Ludwig Avenue, Cheektowaga, New York and amend the Zoning Map and Ordinance accordingly, pursuant to Section 10-00 of the Zoning Ordinance of the Town of Cheektowaga, New York, and

WHEREAS, a public hearing was held before the Cheektowaga Town Board on May 17, 1971 after publication of the notice as required by the provisions of the Town Ordinances and the Town Law of the State of New York and all interested parties were given an opportunity to be heard at said hearing, and

WHEREAS, the Planning Board at its February 11th meeting considered the above request for rezoning and is of the unanimous opinion that this rezoning should be denied for the following reasons:

"It is unreasonable to expect a rezoning of a parcel of this magnitude to the requested zoning in view of the residential nature on the east side of Ludwig Avenue.

It would be to the best interest of the Town not to congest Ludwig Avenue since, although it was not intended for that purpose as evidenced by the narrowness of the road, Ludwig Avenue presently serves as a main connector road between William and Broadway, especially in inclement weather."

and

WHEREAS, it appears that the proposed Rezoning would not be conducive to the surrounding area and since it also appears that the Rezoning would not be in the public interest, therefore be it

RESOLVED, that the said application for Rezoning be and hereby is denied.

WHEREAS Roxie Gian on behalf of the Third Cornwall Corporation has made application to the Town Board for a Rezoning from partially R-Residence and partially C-Retail Business District to C-Retail Business District the property located at the east side of Union Road, between Como Park Boulevard and Bennett Road, and being more particularly described as follows:

ALL THAT TRACT OR PARCEL OF LAND, situated in the Town of Cheektowaga, County of Erie and State of New York, being part of Lot No. 10, Township 11, Range 7 of the Holland Land Company's Survey, bounded and described as follows:

BEGINNING at a point in the south line of Como Park Boulevard (formerly Buffalo and Lancaster Boulevard, as a public highway 100 feet wide), 1320 feet easterly of the intersection of the south line of Como Park Boulevard with the west line of Lot No. 10, as measured along the south line of Como Park Boulevard; thence southerly and parallel with the west line of said Lot No. 10, which west line is also the center line of Union Road (as a highway 66 feet wide), 1613.32 feet to the north line of Bennett Road; thence westerly along the north line of Bennett Road and along a line curving to the left and having a radius of 1085.92 feet, an arc distance of 262.60 feet to a point of tangency; thence westerly and continuing along the north line of Bennett Road 400.46 feet to a point in the north line of Bennett Road which is 660 feet westerly of the intersection of the north line of Bennett Road with the west line of said Lot No. 10, as measured along the center line of Bennett Road (as a highway 49.50 feet wide); thence northerly and parallel to the said west line of Lot No. 10 and along the east line of lands presently zoned "C" pursuant to the Zoning Ordinance of the Town of Cheektowaga, New York, adopted December 27, 1969, as amended, approximately 1613.32 feet to the south line of Como Park Boulevard; thence easterly along the south line of Como Park Boulevard 660 feet to the point or place of beginning.

EXCEPTING THEREFROM, Subdivision Lots 1 through 4 inclusive, and the easterly portion of Subdivision Lot No. 22 lying easterly of the west line of the premises hereinabove described in Block N, as shown upon a map filed in the Erie County Clerk's Office under Cover No. 527, and further excepting Subdivision Lots numbered 1 through 3 inclusive, Block O, as shown upon said map filed in the Erie County Clerk's Office under Cover No. 527. It being the intention to extend the easterly line of lands presently zoned "C" easterly to a line 1320 feet east of and parallel to the west line of said Lot No. 10, which is the center line of Union Road (as a 66-foot highway), containing approximately 22 acres of land, be the same more or less.

and amend the Zoning Map and Ordinance accordingly, pursuant to Section 10-00 of the Zoning Ordinance of the Town of Cheektowaga, New York, and

WHEREAS a public hearing was held before the Cheektowaga Town Board on April 19, 1971, at 7:00 o'clock P.M. after publication of the notice as required by the provisions of the Town Ordinances and the Town Law of the State of New York and all interested parties were given an opportunity to be heard at said hearing, and

WHEREAS the Planning Board at its meeting of April 18th, 1971 reached the following conclusions:

- "a. This request represents a reasonable extension of a C-Retail Business District.
- b. The general character of the surrounding area would not be adversely effected by this Mall as proposed and finally
- c. This type of planned development would be an asset to the Town of Cheektowaga.

However, the Planning Board wishes to call to the attention of the Town Board that the traffic circulation plan, as proposed, with two major exits on Union Road, between Bennett and Como Park Blvd. should be carefully studied by appropriate Town and State officials prior to approving the curb cuts as shown on the proposal.

Our studies of this development also indicate that Section 3-044(b) of the Town Zoning Ordinance pertaining to side yards are being taken into consideration. This Section calls for a side yard where the width shall not be less than 20 feet or a distance equal to the height of the principal building, whichever is greater," and

WHEREAS after due consideration it appears that the rezoning would inure to the benefit of the surrounding area and would not be detrimental to the neighboring property owners, NOW, THEREFORE, BE IT

RESOLVED that the property hereinabove described be and hereby is rezoned from partially R-Residence and partially C-Retail Business District to C-Retail Business District, and be it further

RESOLVED that the Zoning Map in the Town Clerk's Office be changed accordingly.

The town of Depew is going to rebel against something. For four years, the Fire District and the Town of Cheektowaga have been planning to build a reliable fire station on the south side of Goodenough Creek in order to better serve that part of the district. And now, Monday night, both the town council and the fire district claim there has been no opposition. But all this changed when a petition was circulated and a meeting was attended Monday night in the county and Depew, in the matter of settling a dispatcher.
