V. RESOLUTIONS

Item No. 25 Motion by Councilman Wroblewski, Seconded by Councilman Halicki

RESOLVED that the Town Board of Cheektowaga request Mr. Edward W. Uniker, Erie County Public Works Commissioner, to investigate the need of blacktop resurfacing of a county road, namely, William Street from the Buffalo City Line to Ludwig Street. This need existed for some time and now more so. The Town Board had made the same request last year and was told that there was no money for it. We certainly hope that this request can be granted now instead of another patch-up job which will be unsatisfactory to the Town Board and the people of the vicinity as well as all Cheektowagans using the road, and be it
