VI. SUSPENSION OF RULES

Item No. 49 Motion by Councilman Swiatek, Seconded Unanimously

WHEREAS, the children of our Community are entitled to the fun and excitement associated with "Beggars' Night", including going from door to door in their immediate neighborhoods with their happy challenges of trick-or-treat; and

WHEREAS, the increasing possibility of accidents is an ever present threat; and

WHEREAS, it would appear that parents generally favor the early evening hours since it tends to limit participation to the younger children, for whom the observance was originally intended, and thereby discourages interference and disruption by the very small percentage of older children, who under cover of darkness and with their identities concealed by masks and costumes, might otherwise seek to spoil the fun for the smaller children; NOW, THEREFORE

BE IT RESOLVED that Monday, October 30, 1972 shall be known as "Beggars' Night" in the Town of Cheektowaga and that the Town Board ask both children and their parents to cooperate in limiting the time of "trick-or-treat" activities to the period between 6:00 p.m. and 9:00 p.m.. We further ask that, whenever possible, parents of the very young insure that they or other responsible adults accompany them, and we further encourage all householders, wherever they are able to do so, to cooperate in making this a happy occasion for all youngsters by keeping their porch or exterior lights on.

IN THE MATTER OF THE APPLICATION FOR
THE EXTENSION OF STORM SEWER DRAINAGE
DISTRICT NO. 7 OF THE TOWN OF CHEEKTOWAGA,
ERIE COUNTY, NEW YORK

TO: THE COMPTROLLER OF THE STATE OF NEW YORK,
STATE DEPARTMENT OF AUDIT AND CONTROL
STATE OFFICE BUILDING
ALBANY, NEW YORK

The Petition of the Town Board of the Town of Cheektowaga, Erie County New York for permission to discontinue proceedings relative to the extension of Storm Sewer Drainage District No. 7 in the Town of Cheektowaga, Erie County, New York and relating specifically to a public hearing held on March 20, 1972 and terminating in an Order granted by the State Comptroller dated August 25, 1972, respectfully shows:

1. This application is made pursuant to an Order duly adopted by the Town Board of the Town of Cheektowaga, Erie County, New York discontinuing certain prior proceedings relative to the above entitled proceeding. The proceedings affected by said Order of November 20, 1972 relate specifically to an Order adopted by the Town Board on March 6, 1972 calling a public hearing on March 20, 1972 to consider the proposed extension of Storm Sewer Drainage District No. 7 of the Town; that following said public hearing duly called and held, the Town Board duly adopted a resolution on March 20, 1972 approving the proposed extension of the District providing that said resolution shall be subject to permissive referendum; that pursuant to said resolution application was made to the Department of Audit and Control by the Town Board for permission to extend the District, and such permission was granted by Order of the State Comptroller

dated August 25, 1972.

That following adoption on September 5, 1972 of the final Order of the Town Board approving the extension of the District, it was determined that the description of the boundaries of said extension contained in such proceedings was erroneous, and in consequence thereof said final Order was not filed with the Department of Audit and Control.

2. That attached hereto and made apart hereof is an executed copy of the Order Discontinuing Proceedings of the Cheektowaga Town Board, dated November 20, 1972.

WHEREFORE, your Petitioner respectfully requests the Comptroller of the State of New York to rescind, repeal and revoke his Order, dated August 25, 1972.

WHEREAS, it has come to the attention of this Board that efforts at reorganization of the court system of the State of New York are now underway, and

WHEREAS, the Justice Court System, as presently established under the law of this state and as administered by the Justices of the Town of Cheektowaga is established, accepted, open to the citizenry and is local and responsive to local needs, it's a just, humane, effective and economical system of judicial review, in that it provides the prompt disposition of cases, the availability of local justices on a twenty-four hour a day basis to answer to the needs of citizens and police agencies, avoids the lengthy calendar congestion of the other court systems, offers inexpensive and informal determination of small civil claims, returns monies to the municipalities based upon an equitable per capita formula and,
